

It is now universally conceded, that Rheumatism, Gout, Pain or weakness of the Back, Side, or Breast, can be cured sooner by the use of the "Jew David's or Hebrew Plaster," than any other remedy ever known to man.

We would advise our friends and others, who are afflicted with this truly painful malady, to make immediate use of the Jew David's or Hebrew Plaster, as a single trial will place it beyond the reach of competition, and convince the most incredulous of its superior medicinal virtues.

BALSAM OF WILD CHERRY.

The attention of the afflicted is becoming more and more attracted to this incomparable remedy for ASTHMA, BRONCHITIS, COUGHS, CONSUMPTION, etc. But it is unnecessary to remind all who would get the true article, to inquire particularly for DR. WISTAR'S BALSAM OF WILD CHERRY, and take nothing else. Unprincipled dealers will tell you that they have SYRUP OF WILD CHERRY, or some other Cough Medicine that is equally as good. Regard them not—they only want your money! Remember it is WISTAR'S BALSAM OF WILD CHERRY that not only relieves but cures!

Price \$1 per bottle or six for \$5.

I take this method of informing all those indebted to me, either by note or account, that I have retired from the mercantile business, and am desirous of closing all my business immediately. My demands are placed in the hands of Joseph Sears, for that purpose, who may at all times be found at my old stand, in Fayette. I therefore hope that all will avail themselves of the earliest opportunity of seeing him, and adjusting their dues, and thereby save both parties the mortification of a more summary mode of settlement.

JEW DAVID'S

OR HEBREW PLASTER,

The Great Remedy for

Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs, and Joints; Sciatica, King's Evil, White Swellings, Hard Tumors, Stiff Joints, AND ALL PAINS WHATSOEVER.

The discovery of this great remedy, which has done so much for the relief of suffering humanity, in both hemispheres, was the result of many years of patient investigation, travel and research, by an eminent Jew Doctor, from whence its name originates.

It is composed principally of vegetable oils, combined with resinous gums, which have long been known to possess remarkable virtues for the relief of pain and weakness.

It is a simple, yet powerful remedy, and the universal success it has met with in the cure of the diseases above enumerated, has fully established the fact, that,

WHERE THIS PLASTER IS APPLIED, PAIN CANNOT EXIST.

The peculiarities of this Chemical Compound are owing to its extraordinary effect upon the animal fibres, or nerves, ligaments and muscles; its virtues being carried by them to the immediate seat of disease, or of pain and weakness.

RHEUMATISM AND GOUT Have long been considered among the most excruciating of diseases with which mankind are afflicted, and thousands are now lingering out lives of suffering and misery, when, by the use of this Plaster they could be entirely cured.

IN CONSUMPTION AND LIVER COMPLAINT—

Diseases which have long baffled the skill of physicians—it has also proved very beneficial, and if used in connection with "Wistar's Balsam of Wild Cherry," (which we always recommend,) the relief afforded is immediate, and disease is most certainly banished from the system. Every few cases can withstand the combined influence of these two powerful remedies. These subjects to

PALPITATION, OR THROBBING OF THE HEART, Will find immediate relief from using this Plaster, which exerts a powerful influence over nervous diseases generally, and its success in that class of diseases has truly surprised all those who have submitted to a trial.

Many cases of that alarming form of disease, called SCROFULA, or KING'S EVIL, have been cured by its use. It does not act as a repellent, but imperceptibly draws out the poisonous humors, and renews a healthy action in the diseased parts. It has likewise been very beneficial in cases of WEAKNESS, Such as Weakness and Pain in the Stomach; Weak Limbs; Lameless; Affections of the Spine; Female Weakness, &c. No female, subject to Pain or Weakness in the back or side, should be without it. Married ladies, in delicate situations, find great relief from wearing this Plaster.

The application of this Plaster between the shoulders, has been found a certain remedy for the distressing complaint, called ASTHMA.

It destroys inflammation by producing a copious perspiration.

It is equally effectual in softening and healing EXCORS, WENS, WHITE SWELLINGS, Hard Tumors, Stiff Joints, Ague Cakes, Ague in the Breast, &c.

In view of the great benefits resulting from the use of this Plaster, we have been induced to place it within the reach of every afflicted son and daughter of Adam; that all, whether rich or poor, may obtain the treasure of health which results from its use. Those who wish to satisfy themselves of its efficacy, can obtain sufficient to spread six or eight Plasters for fifty cents; a sum not half sufficient to pay for the insertion of a single certificate into any of our most common prints, a single time.

For proof of the virtue of this remedy, we refer, with pleasure, to the testimonials and certificates of the grateful thousands who have been rescued from beds of pain and sickness, and who now walk erect, rejoicing in the mercy of that divine Providence who has bountifully provided a cure for every wound.—A REMEDY FOR ALL WHO SEEK ONE.

All orders addressed to PHELPS & BLAKESLEY, corner of Chestnut and Third Streets, St. Louis, Mo., will receive prompt attention.

Also, for sale by the following agents—Dr. Wm. R. Snellson, Fayette; R. P. Hansenkamp, Glasgow.

Consumption of the Lungs,

Affections of the Liver, Asthma, Bronchitis, Pain or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of Lungs, and all Affections of the Organs.

NATURE'S OWN PRESCRIPTION.

A compound balsamic preparation of the Prunus Virginiana or Wild Cherry bark, combined with the extract of pine, prepared by a new chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered.

We do not wish to trifle with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hope to suffering humanity, which facts will not warrant.

We ask the attention of the candid to a few considerations.

Nature, in every part of her works, has left indelible marks of adaptation and design.

The constitution of the animals and vegetables of the torrid, is such that they could not endure the cold of the frigid zone, and vice versa.

In regard to disease and its cure, the adaptation is not less striking. The moss of Iceland, the Wild Cherry and pine of all northern latitudes (the balsam is a chemical extract of these) have long been celebrated for complaints prevalent in cold climates. Indeed the most distinguished medical men have averred that nature furnished every country antidotes for its own peculiar diseases.

Consumption in its confirmed and incipient stages, coughs, asthma, croup and liver complaint, form by far the most fatal class of disease known to our land. Yet even these may be cured by means of the simple yet powerful remedies which are scattered wherever Wild Cherry is the concentrated essence of these remedies. It has cured incipient consumption, asthma, croup, liver complaint, &c., in numberless cases where all other medical remedies had failed.

WILL MIRACLES NEVER CEASE! MORE EVIDENCE OF ITS SURPASSING HEALTH RESTORATIVE VIRTUES!!!

(From Dr. Baker, Springfield, Washington co., Kentucky.)

SPRINGFIELD, Kentucky, May 14, 1845.

GENT: I take this opportunity of informing you of a most remarkable cure performed on me by the use of Dr. Wistar's Balsam of Wild Cherry.

In the year 1840 I was taken with an inflammation of the bowels, which I labored under for six weeks, when I gradually recovered. In the fall of 1841, I was attacked with a severe cold, which seated itself upon my lungs; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every variety of medical aid, without benefit, and thus I wandered along until the winter of 1844, when I heard of "Wistar's Balsam of Wild Cherry."

My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitation I was induced to make use of the "Genuine Wistar's Balsam of Wild Cherry." The effect was truly astonishing.

After five years of affliction, pain, and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians had proved unavailing, I was soon restored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry.

I am now enjoying good health and such is my altered appearance that I am no longer known when I meet my former acquaintances.

I have gained rapidly in weight, and my flesh is firm and solid. I can now eat as much as any person, and my food seems to agree with me. I have eaten more during the last six months than I had eaten for five years before.

Considering my case almost a miracle, I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow men, (who should know where relief may be had) to make the subject public.

May the blessings of God rest upon the proprietor of so valuable a medicine as Wistar's Balsam of Wild Cherry.

Yours respectfully, WILLIAM H. BAKER.

The true and genuine Wistar's Balsam of Wild Cherry is sold, wholesale and retail, by PHELPS & BLAKESLEY, CORNER OF THIRD AND CHESTNUT STREETS, ST. LOUIS, MO. General Agents for the Western States and Territories. And for sale by Dr. Wm. R. Snellson, Fayette. R. P. Hansenkamp, Glasgow.

Perifocal Spectacles.

THE AMERICAN GLASSES, Superior to any other in use, constructed in accordance with the Principles of Nature, in the peculiar form of a CONCAVO-CONVEX ELLIPSE.

The description of Lenses to be found in these Spectacles is of a kind long sought for by the Opticians of Europe, but on account of the peculiar difficulty of their construction the end was never there gained, but was left for American ingenuity to accomplish.

To all who experience inconvenience in the use of the common kind of Glasses, and especially in night reading, these Spectacles will be found a most valuable substitute; in no case except where the optic nerve has been pronounced diseased, have they failed, (when properly fitted) to give satisfaction. Good News! Good News!

Rise in Wheat, Pork, Hemp, Tobacco and Corn Skins. New mode of buying Tobacco. Carroll's new Goods have arrived—Whiskey, Salt, Sugar, Coffee, Iron, &c.—down to summer prices. Hoza for the cash system, how beautifully it works for the farmer.

Wheat is now brisk at 50 cts. cash. Pork \$2 1/2 a 3. Tobacco \$2 1/2 and the rise, or \$3 1/2 and the fall. A new mode of buying so many new buyers have invented new modes of buying.

We understand Carroll is selling more goods and at less prices, than all the town besides. He has the largest stock of Groceries and Dry Goods ever kept in Glasgow. His 25 cent Whiskey is just as good as the 35 cent at other places. His Sacks of Salt at \$2 are large and fine. His Iron at 44 cts. is real tough and smooth, and upon the whole, his goods are as cheap as they are in St. Louis, to say nothing of low water and high freights.

I saw a man a few days ago who had a cap on his head \$3 1/2 for, at one of those old credit stores. I went with him up to Carroll's, and bought a finer one for \$2.

I tell you, one and all, Carroll's is the place to get good bargains. I have tried it on—there is no mistake—he will underbid the *Jeux* or *Grades*.

He lives in the first store on Water St., sign "the cheapest store in town," and if ever sign told the truth, that one does; for he pays the highest price for Corn Skins, Beeswax, Tallow, Deer Skins, Dry Hides, &c., and sells the cheapest goods.
